## **BIO:**

Andrew Kap holds one goal above all others through his various projects: Genuine and Sustainable Impact.

His perennial best seller, “The Last Law of Attraction Book You’ll Ever Need To Read” offers readers a never-before-seen understanding of the topic — that no other “LOA” book has ever been able to do — by going the extra mile of finally addressing WHY people who get excited about trying it still can’t manage to get in the habit of using these methods for just five minutes a day.

With over 100,000 copies sold, the book has enjoyed continued success, including THOUSANDS of five-star reviews, #1 Best Seller status in multiple categories on Amazon, and a growing YouTube channel devoted to it.

## **TALKING POINTS:**

Andrew will share valuable fun new perspectives with your audience, including:

- *How to use Gratitude to anchor your mindset for \*automatic\* success, using Andrew’s Time Lapse Method*
- *Why your ego might actually be keeping you from succeeding in your life*
- *How people who don’t care about the Law of Attraction can still benefit from what it teaches (in ALL areas of their lives)*
- *The ONE piece of information you may be missing if the Law of Attraction hasn’t been working for you*
- *The truth about whether you actually need to believe in the Law Of Attraction for it to work (Spoiler alert: you DON’T, and Andrew will explain why)*
- *Whether Law of Attraction techniques need to be followed \*perfectly\* step-by-step in order for them to work (Spoiler alert 2: NOPE... and Andrew will show you how to easily get around this common misconception).*

Andrew’s also happy to share how he used his techniques to reclaim his own life (in a very little time) after losing his business and his girlfriend all in the same week. The fast changes he experienced in his finances, his love life, and his health blew him away and made him understand why these simple methods weren’t working in the past.
